

ABOUT THE RICHMOND FLOOR PLAN:

Introducing the "Richmond" by Camden Homes! Timeless craftsmanship meets modern living in this stunning new design by the team at Camden Homes. The main level features an oversized great room and a gas fireplace with built-ins, spacious designer kitchen, including gas range, and walk-in pantry with custom shelving. The elegant dining area seamlessly connects to the surprise flex space and covered outdoor living space! Upstairs, you'll find four spacious bedrooms all with walk-in closets, including the luxurious primary suite, which is a true retreat featuring a spa inspired shower, dual vanities, cabinet storage system in closet and so much more! The oversized three-car garage size is very impressive with 1,007 square feet of space! This home will not disappoint!
